

RESOURCES

VistaPrint - www.vistaprint.com - on line resource for low cost color printing of brochures, flyers other printed material. Use your own design or design the item on line using their extensive library of templates. Also can get imprinted T-shirts, caps, pens, refrigerator magnets etc at bargain prices. Prices decline with quantity orders and once first order is placed you get brochure from them allowing your 25% off next order and sometimes free imprinted samples in quantities up to 25 or or. The 25% off applies to reorders or orders for new items for almost any and every order after your initial order.

Serif Software USA - www.serif.com - British company with a U.S. presence. They have offered to make older versions of their desktop publishing program available to HLAA chapters for \$19.95 plus \$3.95 shipping and handling. The regular price for their latest version is \$99.99. Comparable in every way to Microsoft's "Publisher". One great feature, Page Plus will open and let your revise .pdf files and save them in several different formats including .pdf. You can also creat .pdf slide shows which work just like a power point presentation. Go on line to read about this award winning program. At www.serif.com but DON'T ORDER ON LINE. To order at the HLAA price, call Donna at 1 (603-889-8650 - option #3). Identify yourself as with HLAA. Say you were referred by Steve Frazier (#X12024640) and ask for version X2 for\$19.95 or Version 11 for \$14.95.

OpenOffice - www.openoffice.org - this is a free knock off of Microsoft's expensive "Office" program and lets you open and/or create Excel, Power Point, Word and other Microsoft files. OpenOffice.org 3 is the leading open-source office software suite for word processing, spreadsheets, presentations, graphics, databases and more. It is available in many languages and works on all common computers. It stores all your data in an international open standard format and can also read and write files from other common office software packages. It can be downloaded and used completely free of charge for any purpose.

Mr. Ink Jet, Inc - www.misterinkjet.com - 1 (800) 887-1882 -a resource for inkjet cartridges or refill kits or ink to refill your old cartridges. Refill kits include bottles of black and each color of ink plus separate needles and syringes for each color, any special tools needed to prepare your cartridge, a pair of latex-free gloves and, of course, illustrated, step-by-step, easy to follow instructions. Ink cartridges can be refilled multiple times. A \$39 kit will refill your black cartridge 8 to 10 times and your color cartridge as many as 15 times.

Clipart and Animations - <http://www.gifanimations.com/> or <http://free-clipart.net/> are just two of the many web sites where you can download or just copy and paste artwork and animations to be used in email meeting reminders, handouts, newsletters or for other purposes.
