To Whom it May Concern,

My name is Seth J. Meyer. I am a PhD Candidate at Rutgers University-Newark School of Public Affairs and Administration. For my dissertation, I am researching national nonprofit organizations and the interactions between the affiliate and the central office. My research consists of both an online survey, which should take approximately 20-30 minutes, and, for those interested, a 30-60 minute interview via phone or Skype. [To take part in the survey, please click here.](#)

The survey can also be found at https://rutgers.qualtrics.com/SE/?SID=SV_e38CyaouapnkKeV.

No reimbursement is available for participation in this survey.

You are free to withdraw from this survey and/or interview at any time without penalty.

Please note that taking part in this survey is optional. Individual survey responses and interviews will not be shared. There are no risks to taking part in this survey. At the end of this study, a 3-5 page executive summary will be available upon request. This survey aims to have 300 respondents and interview 30 people. Interviews will be recorded and transcribed. Once transcribed, the interviews will be sent to respondents for comments and feedback. The specific interviews will not be shared and will be kept in a password protected folder.

Confidentiality will be preserved in the research findings.
