Side-by-Side Mode

- Your screen should be in Side-by-side mode if you have joined by computer.
- There should be a shared screen with presentation on the left and the speakers will appear on the right in gallery view.
- You can adjust the size of your Side-by-side view by hovering your pointer between the shared screen and panelist videos and click on grey line and slide to adjust to your desired view.
- If you have joined by mobile device or phone. You will have a different view. You may have to scroll between views to get desired one.

What is a chapter or support group?

- According to Dr. Jessica D. Smedley in a Psychology Today July 2020 post
- Support groups are an opportunity for members of the community to come together and experience support, validation, and hope through sharing a common experience.
- If this statement is true What is the first thing that is needed?

What is the first thing a chapter or support group needs?
