## How?

Register by emailing  
[azworkingadults@gmail.com](mailto:azworkingadults@gmail.com)  
You can also find us on Facebook at  
<http://fb.me/azworkingadultschapter>

## What?

Register now for a unique 4-week Living WELL with Hearing Loss hearing rehabilitation support group designed specifically for adults in the workforce and high school students that will soon be entering the workforce. This is a joint project with the ASU Speech & Hearing Clinic, the HLAA AZ Working Adults Chapter, and the City of Tempe. There is no cost to attend.

## Why?

LWHL is an interactive support group that provides opportunities to learn more about hearing loss, workplace and school accommodations, federal laws, assistive technology, communication and coping strategies, assertiveness training, and other tips for adults in the workplace.

## Who?

The LWHL program will be helpful for anyone who wants to learn more about how to deal with hearing loss in the workplace and in school. Adults and teens with any degree of hearing loss, whether or not a hearing aid and/or a cochlear implant is used are invited to participate. Because hearing loss is a family affair, family members are encouraged to attend.
