

# HLAA Launches New Website to Expand Reach

*It's finally here!*

Our new HLAA website is now live at **hearingloss.org**. We hope you check out this exciting new tool that should help us all more efficiently reach, connect and engage with the growing number of people in need of hearing loss help and support.

Anyone can **Find Help** with hearing loss here:

The new **Understanding Hearing Loss** page gets people to the information they need easily:

See all the ways to **Get Involved** with HLAA's hearing health movement:

And if you're an HLAA Chapter or group leader or volunteer, there's a new password-protected **Chapter Portal** to access important resources, news and updates.

We'll continue adding more resources, pages and functionality to our new website as we go, so stay tuned! Be sure to tell us what you think at **inquiries@hearingloss.org**.
